2020 PRIX DE L'ARC DE TRIOMPHE TOUR ITINERARY

DAY 1 TUESDAY 29 SEPTEMBER

Arrive in Paris and make your way to the four-star Le Meridien Etoile Hotel. We'll enjoy a nice welcome dinner at a local French restaurant to get to know everyone and hear our plans for the week.

DAY 2 WEDNESDAY 30 SEPTEMBER

After a morning of leisure, we'll be taken on a half-day guided tour of beautiful Paris, taking in all the key sites including the Eiffel Tower, Arc de Triomphe, Louvre and more.

The evening is then yours at leisure to enjoy some fabulous restaurants and the amazing Paris nightlife.

DAY 3 THURSDAY 1 OCTOBER

Today we're off to the heart of French racing in Chantilly where we'll take in the stunning surrounds, visit a local stable, check out the racecourse, enjoy a tour of the famous palace and indulge in a tasty country luncheon.

DAY 4 FRIDAY 2 OCTOBER

Today is a day of leisure for you to explore more of Paris, do some shopping, visit some more famous museums or just wander the streets and soak up the city of love.

We'll meet for nice late afternoon drinks to run through the form for the next two days.

DAY 5 SATURDAY 3 OCTOBER

After a relaxing morning, we're off to Longchamp for the opening of the Arc weekend. We have a ticket in the Finish Line which gives you access to the Ground Floor and Level 1 of the main stand with a view of the Parade Ring. This is a day to explore the course, visit the parade ring, hit the gift shop and see the horses up close.

After the races, we'll head back to the hotel for evening drinks with (fingers crossed) Frankie Detori. He'll talk us through his ride on Enable in the Arc and see if she can make it a hat-trick.

DAY 6 SUNDAY 4 OCTOBER

After breakfast, we get into our finest racewear and head back to Longchamp for the highlight of the European racing calendar, the Arc. Can Enable make it three in a row?

We have a fantastic spot in the Panoramic Restaurant today. The restaurant package offers spectacular panoramic views of the racecourse from its balcony and private rooftop. Here you will be served a four-course menu, served at the table, with a complimentary bar throughout the day meaning you don't have any reason to leave...you can see everything from this area and being higher up in the stand offers some fantastic views of the famous Eiffel Tower. You can access a private viewing balcony which has seats that are numbered to guarantee you a place to sit.

DAY 7 MONDAY 5 OCTOBER

After breakfast, the tour concludes and we all head our separate ways back to Australia or onto another adventure in Europe.
